Sir:

In response to the Office Action Mailed September 23, 2004, please amend the above application as follows:

Claims: *Please amend the claims according to the status designations in the following list, which contains all claims that were ever in the application, with the text of all active claims.*

1. (CURRENTLY AMENDED) A Dutch Oven stand, comprising:

a base assembly having a non-perforated sides and a non-perforated bottom surfaces defining an upwardly open, uncovered and unobstructed receptacle for supporting a Dutch Oven directly on said bottom surface and for holding and for containing solid cooking fuel on said bottom surface, in order to reduce the chance of unwanted fire while cooking in a Dutch Oven; and

a plurality of non adjustable foldable legs of predetermined fixed length rotatably coupled to said base assembly wherein said legs can be ~~extended~~ folded out to support said base assembly, or such legs can be folded into a substantially compact configuration with said base assembly to facilitate transportation of said base assembly.
